Respected sir,

On the behalf of the Chamber of Industrial & Commercial Undertakings (CICU), we appreciated the efforts made by your prestigious organization- CGST Commissionerate, Ludhiana, while undertaking the matter of "Risky Exporters".

A number of Ludhiana based companies doing overseas exports, were included in the "Risky Exporters List", which affected their businesses to a large extent. However, we are pleased to share that, due to the proactive approach adopted by your department in doing verification(s) of such exporters on top priority, helped them in getting their refunds cleared. The addressing of such a critical issue with such an approach is worth commendable. Also we sincerely appreciate the lead role you played in the whole process for the overall success and hope that your organization will keep on doing good work under your able leadership in future also.

Once again, we are all grateful to you for your support and surely look forward for the same in future also.

With Warm Regards,

**(UPKAR SINGH AHUJA)**  
**President**
